NYLON CLOTH FABRIC

200 Denier Bright Nylon type 6.6 is a tough, durable and long lasting fabric. It provides 25% more toughness than polyester with greater abrasion and tear resistance. Nylon fabric is mildew and soil resistant.

WASHING INSTRUCTIONS

Normal cleaning we recommend dry clean only. If you must put in a washing machine, wash in cold water, gentle cycle and a mild detergent. Do not put in the dryer, nylon fabric must be hung dry only.
